CONSULTATION BY APPOINTMENT

8 January 1963

Dr. Ancel Keys
Laboratory of Physiological Hygiene
Stadium - Gate 27
Minneapolis 14, Minnesota

Dear Ancel:

Many thanks for the two very
nice photographs that you sent me.
I think they deserve a place on *my*
wall because of their international
implications.

Best wishes to you all for the
New Year.

Sincerely yours,

PDW:fa
