Dr. Paul D. White
264 Beacon Street
Boston, Massachusetts

Dear Paul:

The enclosed is for your information. The first proposal (as in our budget) was \$370 for Parin. Apparently he cannot cover any expense from Moscow so I am taking the responsibility of adding \$110.

As indicated previously, I am getting a little anxious about funds because some of the people who are to be in Venice insist on having money for the travel in advance.

As ever,

Ancel Keys, Chairman
