CONSULTATION BY APPOINTMENT

20 July 1965

Dr. Ancel Keys
University of Minnesota
School of Public Health
Stadium Gate 27
Minneapolis, Minnesota 55455

Dear Ancel:

Zdenek Reinis has offered the Research Committee of the International Society of Cardiology the hospitality of the Czechoslovak Heart Association for a committee meeting next year. It might be nice to take advantage of this for several reasons. Do you want to get in touch with him about this? His address is as follows:

Laboratorium Angiologicum
Universitatis Carolinae
Clinica Medica IV
Praha 2, Czechoslovakia

Sincerely yours,

PDW:cw
