Henry Blackburn, M.D.
University of Minnesota
School of Public Health
Stadium Gate 27
Minneapolis, Minnesota 55455

Dear Dr. Blackburn:

You were most thoughtful to send me the superb volume on coronary heart disease.

This is most interesting and revealing and you can be sure that I shall do all I can as a Senator and member of the Appropriations Committee to assist in funding programs to overcome this serious epidemic.

Sincerely,

William Proxmire, U.S.S.
