Senator Walter Mondale
Senate Office Building
Washington, D. C.

Dear Senator Mondale:

I fully support your bill to stop aid to countries not cooperating in reducing the sources and processing of dangerous drugs.

One continues to be amazed that everyone has known for years of many of these sources, and yet problems of developing the legal cases and exposing the corruption, have overwhelmed the system. Your bill is a needed extra incentive.

Cordially,

Henry Blackburn, M. D.
