Dear Dr. Blackburn:

Congressman Fraser has asked me to write you in his absence. The Congressman is participating in a Foreign Affairs study trip in Europe during the congressional recess.

Enclosed for your information is a copy of the letter sent to Congressman Fraser in response to his request that the NHLI programs be fully funded. I'm sure you're happy with their decision.

Please let us know if we can be of further assistance.

With best wishes.

Sincerely,

Kitty Higgins
