

March 11, 1974

Honorable Paul G. Rogers  
Representative from Florida  
Room 2417 Rayburn House Office Building  
Washington, D.C. 20515

Dear Congressman Rogers:

Congratulations and support are due on your important steps to eliminate the dangerous practice of political screening of members of NIH Advisory Councils.

Sincerely,

Henry Blackburn, M.D.  
Professor and Director, and  
Professor of Medicine
