

August 17, 1964

**Dr. Paul Dudley White
264 Beacon Street
Boston, Massachusetts**

Dear Paul:

I know nothing about Donald Watkin and I saw your letter about his work too late (August 7th) to do anything about him for the Helsinki Meeting. Anyway the limited funds were all spoken for some time ago.

But I am handing your letter and attachment to Henry Taylor who may have a comment. We'll meet him at Helsinki.

As ever,

Ancel Keys
