Dear Paul:

Herewith are copies of a letter from a Dr. Sam Roberts and my reply. Probably nothing will come of this but one can never tell. I trust you do not object to my suggestion about the Foundation as the trustee. Any suggestions?

Pavel Lukl hopes to join us in Helsinki (Aug. 27-29) and bring a young doctor with him, the latter I hope, to stay for a week or two in the field in Karelia to see how we work. All this contingent, of course, on the provision of no-cost hospitality in Finland which I shall try to arrange.

This is being mailed on your birthday so I send extra salutations.

As ever,

Ancel Keys, Chairman.
