Dr. and Mrs. Ancel Keys,  
Laboratory Physiological Hygiene,  
Minneapolis 14, Minn.

Dear Margaret and Ancel:

Thank you for your book inscribed to Reuben Berman and family which came in the mail the other day.

I notice in the current New York Times book section that "Eat Well and Stay Well" has jumped to the best seller list.

Congratulations to both of you. It looks to me as though you have hit a home run.

Thanks again.

Sincerely,

A handwritten signature in cursive script, appearing to read "Reuben Berman".

Reuben Berman, M.D.
