My dear Dr. Keys:

I am indeed glad to have the copy of your and Mrs. Keys' book, "Eat Well and Stay Well", and hasten to thank you for your kindness and thoughtfulness in sending it to me. I am also grateful to you for personally autographing and inscribing the book to me and my family.

I know the authority with which you speak on the problem of nutrition and health.

I am enclosing a copy of our Health for Peace Resolution and a copy of my report on the measure. We are hoping to bring the bill up in the Senate very soon. In view of your own outstanding contributions to the work of the World Health Organization and UNESCO, I feel sure you will find the bill and the report of interest.

Again, many thanks to you and to Mrs. Keys for your book.

With kindest regards and best wishes, I am

I am grateful to you
Very sincerely,
Lister Hill
