Dr. Richard Ross  
Cardiovascular Division  
Johns Hopkins Hospital  
Baltimore, MD 21205

Dear Dick:

I'd like very much to have a copy of your Dallas address to take with me next week when I lecture in France. What kind of reactions have you received from it?

At the moment, I am reviewing an unfortunate editorial by Eliot Corday to appear in the American Journal of Cardiology. It is the antithesis of yours and of the AHA program.

Cordially,

Henry Blackburn, M.D.
