CORRES - STAMELMAN
1/16/80

January 16, 1980

Mr. Peter Stamelman
Program Director
ABC Television
2040 Avenue of the Stars
Century City, CA. 90067

Dear Mr. Stamelman:

It seems to me that your One in a Million show is offensive to every sensibility, of every race, of every social class, of every level of intelligence. It meets all the criteria of pornography, that is, without any redeeming social value.

I trust that its ratings will match these rantings and that both will drive this ridiculous program off the air--and you out of your comfortable chair. Is there really no concern at all for the public good?

Sincerely,

Henry Blackburn, M.D.
Professor and Director
