Dear Gary:

I very much enjoyed seeing you again and having an exposure to the marvelous tradition, culture, and fine work going on at Loma Linda. Please give many thanks to your family for a pleasant evening and to your numerous colleagues that were so warmly receptive.

I am entering another heavy period of duties and travels and may not get to your grant as rapidly as I would wish. I assure you that I will eventually get to it.

Cordially,

Henry Blackburn, M.D.  
Professor and Director

P.S.: I am enjoying the books by Ellen White.
