Dear Henry,

The jazz tapes are super -
super - taped by David Braun. I hope
you have one - a memorable evening
in July with you & your band.

I can't tell you how thrilled I
am with Cheryl Perry's Report on "John B.
Hawley Youth Health Promotion Program?"

I think the greatest achievement
is for the Hearty Heart program go into the
public schools!! The whole program of
Nutrition, exercise, drug abuse prevention,

Smoking prevention done by Peer
Leadership couldn't be better. What could
be better in formative grades than to
have your friend or peer teaching the
message of Good Health! Excellent idea!

I certainly do hope that
matching funds can be provided for
a Chair in the Promotion of Good Health!

Cheers, cheers to you &

Cheryl, Zita Hawley Wright

P.S. Bill and I traveled on a Gentline Freighter
(Banana Boat) from Barry, Wales to Barbados.
10 days (a true test of friendship. 😊)
Hope to be back in Palm Beach Nov. 6th
