Professor David Pilbeam  
Department of Anthropology  
51 Hillhouse Avenue  
Yale University  
New Haven, CT. 06520

Dear Dr. Pilbeam:

If you have available reprints from your Nobel Symposium Presentation in 1979, I would dearly love to have one.

We recently enjoyed the visit of Mary Leakey on our campus and a pleasant evening with her afterwards.

Any follow-up of our Hopkins meeting?

Cordially,

Henry Blackburn, M.D.  
Professor and Director
