Dear Kat:

I was very impressed with the talk I just heard by Ellen Goodman, syndicated columnist for the Boston Globe. It might be nice for you to establish contact with her while you are in the area.

Love,

*P.S. Thanks for calling back. Tell  
your roomie she doesn't have  
to "come" for you (She said  
you were "down the hall")*

*Love -  
Ted.*
