3/11
ms*

Date March 4, 1988
From Chair, CCCDS Committee
Subject CCCDS Meeting
To CCCDS Members

I've talked with most of you over the past several weeks about scheduling a short CCCDS meeting in conjunction with the FRG meetings to be held in Bethesda on Marh 21-23, 1988.

Several of you will be flying out Wednesday morning, so I have scheduled a meeting for 5:15 - 6:15 p.m. on Monday, March 21. We will stay in the same conference room as the FRG meeting. That will still allow time for an exercise break before the scheduled dinner. The main agenda items will be Subcommittee reports, two scheduled TAGS, and other coordination items.

Elaine J. Stone
Elaine J. Stone, Ph.D., M.P.H.

- Distribution:
- Dr. Farquhar
- Dr. Fortmann
- Dr. Flora
- Dr. Blackburn ✓
- Dr. Luepker
- Dr. Jacobs
- Dr. Carleton
- Dr. Lasater
- Dr. McKinlay
- Dr. Friedman
- Dr. Higgins
- Mr. M. White

*Sorry Elaine, din
not coming to the FRG
meetings (skipping with
Katie in New Mexico
for my birthday
Mar. 22!*

*Regards &
Thanks for your
recent visit.

Minneapolis, MN 55455

Dear Henry:

On behalf of the Planning Committee for the NHLBI School Health Promotion Research Conference, I want to take this opportunity to thank you for giving the opening presentation at the meeting held at the Gainey Conference Center. Your excellent overview of the importance of cardiovascular risk factors with a public health perspective on youth set the tone for a very successful and productive two days of presentations and discussions of the issues in the field of school-based research.

Sincerely,

Elaine J. Stone

E.S. Thanks much,
we sort of liked
what did you think
but felt it was
flat, after dinner.
Glad your meeting was
a success & glad you're
in charge. Don't leave us!
Regards, Henry*

*I expect. But after
dinner, after a long day,
he'll avoid in future.
How was Sordani?
H.B.*

*PS. TW 10/19/88
Due same presentation
to 500 people in
Charleston &
they loved it!
It was
more my
mood!*
