Dear Henry

I am delighted to be in touch with you again after this long hiatus. Your name is not currently listed in the AHA Council on Epidemiology & I was about to ask Prineas your current whereabouts - which could be anywhere, global travels that you are

There have been many changes in your life since we last saw one another, years which I know were difficult ones for you; and I'm happy to learn that you have again resumed that great zest for good living, in which medicine is a major - but by no means the whole part.

Yvonne & I travel widely too, but still with roots here in Florida (where Safety Harbor Spa has become a posh fitness center), so that after 50 years I feel more like a camp doctor than cardiologist. Son Richard is one of the new breed of cardiac ballooning cardiologists (fine training at Cornell, Hamman-Smith, U. of Colorado), practicing in Washington between Seattle & Vancouver. We
