Dear Al:

This is a belated New Year's greetings from your once a year sideman up at Lake Tahoe. Would you put Tuesday, August 9th on your calendar again for this summer and I'll be contacting you in July concerning details for a possible change in date to Monday, August 8th. It's a musical high point of our life for Stacy and me to perform with you once a year. We're otherwise severely deprived!

Cordially,

A handwritten signature in cursive script, appearing to read 'Henry Blackburn'.
