Dear Cheryl -

Sorry to pursue you  
with this - but it now  
involves me & the division.

Suggest you get legal  
counsel - but dangerous  
to your health -

P.S. I replied - 1) were lucky "old farts"  
to have lived to young, million women.  
2) Scientific integrity &  
intellectual honesty are compatible  
with "immoral dalliance" - & c  
offered legions of models!  
HEALTH SCIENCES  
let it go & go on 3) ~~found~~ be could
