Mr. Leigh Kamman
KSJN
MN Public Radio
45 East 8th Street
St. Paul, MN 55101

Dear Leigh:

Many thanks for your delightful long Saturday night program on Red Maddock. It was remarkable. I am glad that between you and the first page of the Minneapolis paper he got some of the credit he deserved from his musicianship and for warming the hearts of others for so many years.

Cordially,

Henry Blackburn, M.D.
Professor and Director
