Dr. Nathan Lifson
410 Millard Hall
University of Minnesota
Campus

Dear Nate:

Enclosed please find three questions for Larry Rowell's
written exam.

Sincerely yours,

Henry L. Taylor

HLT:mn
Encl.

1. Describe what is meant by oxygen debt, discuss the factors that affect it and its relation to events in muscle.
2. Discuss the control of the cardiac output during exercise.
3. Discuss the over-all energy metabolism with reference to the validity of human calorimetry.
