Richard L. Reece, MD  
Editor-in-Chief  
Minnesota Medicine  
2221 University Avenue SE, Suite 400  
Minneapolis, MN 55414

Dear Richard:

The December issue of Minnesota Medicine was a superb summary of the population approach to prevention and a tribute to your skilled interviewing/editing.

Any chance of making a poster and slides out of the attractive Wildgen painting?

An issue on prevention in practice might be useful, touching base with Russ Luepker, Richard Grimm, Tom Kottke (Mayo), and Jim Zavoral.

Cordially,

Henry Blackburn, MD  
Professor and Director
