Dear Henry:

Many thanks for your contribution at the American Public Health Association session on Nutrition, Health Promotion and Disease Prevention. You did a splendid job and there were lots of nice comments afterwards about it. I very much appreciate your setting aside the time from your busy schedule to join us in the session.

With best personal regards.

Sincerely,

J. Michael McGinnis, M.D.  
Deputy Assistant Secretary for Health  
Director, Office of Disease Prevention  
and Health Promotion
