*That would be great.  
Please, when you would  
like to come!  
Henry.*

Dear Henry:

I appreciate very much your invitation to schedule a seminar and consultation for me. Can we postpone it till the Spring? My schedule for this Fall is already too tight.

I'm glad to hear things are going so well.

With very best wishes,

Sincerely,

Milton Terris, M.D., M.P.H.
