Dear Henry,

I have great pleasure in announcing you that the Royal Academy of Medicine ("Koninklijke Academie voor Geneeskunde van België") has elected you as a Corresponding Member.

This election can be considered as an acknowledgment by this Institute of your outstanding work and continuous efforts in the field of cardiovascular epidemiology and prevention.

Although you will receive an official letter concerning your election , I take advantage as President to send you my sincere congratulations.

With my best personal regards,

*René.*

Prof. Dr. R. PANNIER.

*Put this under honors:  
Elected member of Royal Academy of Medicine of Belgium 1979.*

Your Friend - I am  
surprised and delighted  
at the honor you and  
Dr Royal Academy have  
bestowed on a medico-  
social deviant of preventive  
cardiology!

Many Thanks -  
Jerry
