✓ W. Bruce Fye, MD
Marshfield Clinic
Department of Cardiology
1000 North Oak Avenue
Marshfield, WI 54449-5777

Dear Dr. Fye:

It was quite a coincidence that I encountered your history of the Council on Clinical Cardiology the week of your request for my "first publication", a translation of Einthoven!

Fred Epstein and I have planned for a number of years to do a history of the American Heart Association Council on Epidemiology and Prevention and your effort provides an excellent model and inspiration.

Cordially,

Henry Blackburn (mf)

Henry Blackburn, MD
Mayo Professor of Public Health
