D. Mark Hegsted, Ph.D.  
Professor of Nutrition  
Schools of Medicine &  
Public Health  
Harvard University  
Boston, MA 02115

Dear Dr. Hegsted:

Congratulations on the McGovern Committee Report. It seems to be making a very wide impression. I suspect now we will begin to see the very big guns called out of the Meat, Dairy and Egg Council.

Cordially,

Henry Blackburn, M.D.
