Dear Henry:

Thank you very much for your kind note. I am delighted to know that you are overly active. It is very difficult for me to realize that when I had my 50th year reunion also. I certainly hope that you will be attending and I want to definitely see you when you come to New Orleans.

I recognize the many memories of your being here and the associations, but there are still more for us alive.

With best regards.

Sincerely yours,
