

Schulz

W. Norris Schulz, 86, of Columbia Heights, on Dec. 21. Preceded in death by parents, Arnold & Nina Schulz. Survived by wife of 57 years, Luella; daughter & son-in-law, Paula & Patrick Sullivan; grandchildren, Nathan and Rebecca of Champlin. Retired statistician for the Laboratory of Physiological Hygiene in the School of Public Health at the University of MN. He worked with Dr. Ancel Keys' pioneering research on risk factors and heart disease. He enjoyed lifelong hobbies of reading, sports, history, music and was passionate about learning. He loved nature, walking by lakes, and escaping to Duluth to see Lake Superior. He will be deeply missed by his close lifelong friends and relatives. His strong, gentle spirit will live on in the people who loved him. Funeral service Friday, 10:30 AM, Fridley United Methodist Church, 680 Mississippi St., Fridley. Interment Hillside Cemetery. Visitation one hour prior to service at church.

Dr. Blackburn
and "Lab" Staff,

We wanted to
say thank you for
the many years Norris
worked at the "Lab."
He had such a
high respect for all
of you and the work
that you've done. We
appreciate the unending
support he was given
through illness and
early retirement.

The letter of
recognition from President
Bruininks was also
much appreciated.

Our best to you
in years to come.

Paula Sullivan (daughter)
Luella Schulz & family

If there's a mailing
list or newsletter
regarding Epidemiology
research, etc., I
would love to be
on it.
