CONGRESSIONAL INSTITUTE FOR SPACE, SCIENCE AND TECHNOLOGY

Congress of the United States

Presents this Award

For Achievement And Service To

DR. C. WALTON LILLEHEI

In Recognition Of

INNOVATIVE CONTRIBUTION TO THE FIELD OF BIO-MEDICAL TECHNOLOGY

Presented This 2ND Day Of OCTOBER,

A.D. 1985.

Tom Lewis

Co-Chairman

Murray H. Szymanski

Co-Chairman

DR. C. WALTON LILLEHEI

For bio-medical technology. Dr. Lillehei has been the creator and innovator of perhaps more techniques and concepts than any other living heart surgeon. He developed open heart surgery and much of the necessary equipment to go with it.
