National Breastfeeding Month
QUICK-GUIDE

Social media can be a great tool for finding up-to-date resources and facts. Follow leading organizations to see what they are doing, share their posts, and join in national chats.

One of the easiest ways to find more resources is to search the hashtag for this observance. This can be done on almost all social media networks. Include it in any posts you create.

Please share this Quick-Guide and tag @UMN_MCH!

Social Media

Hashtag
#NBM18
#Breastfeeding
#nationalbreastfeedingmonth

Twitter
@USbreastfeeding
@LaLecheLeagueUS
@Bf_USA

Facebook
- International Lactation Consultant Association
- La Leche League USA

Instagram

@LaLecheLeagueUS

Print, Post, or Share

If available, use logos or other graphics to enhance your posts, emails, or websites. Visuals help catch people’s attention and often have higher engagement numbers.

Use available facts from these organizations to create quick and easy posts for social media or a newsletter. Many also provide templates for press releases and other modes of communication.

Sample Tweets/Posts

August is #NationalBreastfeedingMonth! We support all #breastfeeding, chestfeeding, and human milk feeding families. #NBM18

#Breastfeeding reduces a mother’s risk of ovarian & breast cancer, heart disease, & osteoporosis. The longer she breastfeeds, the higher the benefit.
